

The site plan illustrates the layout of the 'Kvadratskiy' residential complex. It features several rectangular building footprints, each labeled with a number and a lot area (BL). The buildings are arranged in a row, with a central building (3180) having a semi-circular protrusion. The plan includes various boundary lines, including a red dashed line and a blue solid line, and a green dashed line. A circular feature with a green arrow is located near the center. The plan also shows a road with a 'Kvadratskiy' sign and a 'Kvadratskiy' sign. The plan is labeled with 'RS05 (TURN)' and 'A-9'.

Building Number	Lot Area (BL)
3183	352.90
3182	351.00
3181	348.90
3180	347.10
3179	346.20
3178	345.40
3177	344.70

The filling in the areas as defined above and in the Level 1 Report pertaining to the above mentioned project meets the requirements for “structural fill for residential applications” in accordance with AS3798. The fill has been placed, compacted and tested in accordance with AS3798 and the fill meets the requirements for controlled fill in accordance with AS2870 (2011) “Residential Slabs and Footings”.
